

10 Biggest Stories For 1961 Listed In Sun During Year

With 1961 rapidly coming to a close, newswriters all over the country will be selecting the ten most important stories of the year.

Nationally and internationally, we suppose they will be selecting the trouble in the nomination of President Kennedy and perhaps world tragedies, but here we will stick to local issues as covered in detail during the past 12 months by the Sierra Sun.

Perhaps the most important and far-reaching story in this area was the fact that Lake Tahoe's level dropped to a low record, affecting water users and resorts, resulting from the third consecutive extremely dry year.

Other stories of importance were as follows:

2.—The \$1,000,000 Southern Pacific fire at Norden, November 15.

3.—Dedication of the new post offices at Truckee and Tahoe City, the latter in conjunction with the new Tahoe City Shopping Center and the former with the appointment of Richard Higgins as postmaster in Truckee.

4.—The offer of the Sierra Pacific Power Company to purchase or lease the electric facilities of the Truckee Public Utility District and the latter's refusal.

5.—Opening of the new Truckee golf course.

6.—Work starting on the new Truckee-Tahoe Airport.

7.—Fire destroys main building at Brookway Resort.

8.—Construction of new Donner Park museum started.

9.—Brookway shortcut closed for construction and work starts wide.

Harlem Stars Will Play Wednesday

The world-famous Harlem Stars, full of razzle-dazzle ball handling and intricate routines, will meet the Tahoe-Truckee All-Stars in the high school gymnasium in Truckee, Wednesday, January 3.

The event is being sponsored by the Truckee Lions Club. Bob Siebold, chairman of the event, said that admission prices are \$1.50 for adults and \$1 for students. The game starts at 8 p. m.

Typical member of the Harlem Stars is six-foot-two Howard "Babe" Rand. Probably the best all-around player in the Stars organization, Randy's wizardry, tricking comedy, and spectacular shooting has brought sheer enjoyment to sports fans all over the world.

Other members of the squad include six-foot-five center Andy Shepard of Detroit, Michigan; forward Taylor (Loud Mouth) Billingsley, who stands an even six-foot; five-foot-two Showboat Buckner, formerly of North Carolina State; former National Basketball Association veteran Rural Tucker (six-foot-six).

The Tahoe-Truckee All-Stars, comprised of members of various city league teams, will have: Craig Robinson, L. J. Robinson, Jim Smith, Bob Merica, Sam Medford, Mike Moore, Ken Holback and John Firpo.

Local fans will be treated to a fancy exhibition of basketball as well as planned and impromptu comedy. The shenanigan-happy Harlem Stars play in 40 states and six foreign countries in one season.

CHRISTMAS CROSS ERECTED AT LAKE

TAHOE CITY — Ted Stollery, owner of Town and Country Lodge, realized a fond dream this week, when he erected an 18-foot Christmas cross on the pier of the lodge.

The cross, constructed by Stollery out of styrofoam, is illuminated by spot lights and banked by greenery. It will be on display through the holidays and remain on display, weather permitting, until Easter.

Many telephone calls and complimentary letters have increased his pleasure in his Christmas cross.

Family Dinner—

Mr. and Mrs. Robert Leamon entertained on Christmas day Mr. and Mrs. James Leamon, sons Jim and David of Al Tahoe, Mr. and Mrs. Harold Langille and Mr. and Mrs. Walter Barrett.

Car Wreck Fails To Halt Show Trip; Hellars Give Lift

Mr. and Mrs. John H. Mallett of Sacramento and Mr. and Mrs. Leslie M. Fry and their two young daughters from Reno were determined to see the Ice Capades at Squaw Valley last Thursday. They were so determined that a major auto wreck two miles south of Truckee failed to deter them.

The six were traveling along Route 89 in the Fry car, driven by Mallett when the vehicle struck a strip of black ice on the road. The car swerved across the road and rolled down an embankment more than 25 feet, coming to rest near the edge of the Truckee river.

The occupants clambered out of the wreck and walked up to the highway, with a minor cut on one finger being the extent of the injuries.

Mr. and Mrs. Ed Hellar of Truckee, also bound for the show, stopped to render assistance, found the wreck victims all anxious to continue on to the show, loaded them in the car and away they went.

After the show, Fry and Mallett stopped at the California Highway Patrol office to report the incident.

Stices Win Award For Decorations

First prize in the Christmas decorations for homes in the Truckee-Donner area this year went to Mr. and Mrs. Earl Stice in Gateway Park, according to the judges for the Truckee Lions Club which sponsored the contest.

The nativity scene at the Stice home was most attractive and has created wide acclaim both from the judges and passersby.

Second prize went to Mr. and Mrs. Roy McQuary of Meadow Park where a Christmas scene with two beautifully decorated trees attracted the judges.

Honorable mention went to former prize winners, Mr. and Mrs. Carl Painter of Gateway Park and Mr. and Mrs. Robert Affeldt of Donner Lake.

R. HARTSTEN CONFINED TO HOSPITAL

Ray Hartsten is a patient at Tahoe Forest Hospital for an indefinite stay, due to a leg injury sustained in an automobile accident.

Hartsten is regrettably unable to accompany Mrs. Hartsten and their son, Robert Hartsten of Utah to the wedding of another son, Richard Hartsten, December 30 at Trail, B. C. Canada. Robert is to be the best man during the ceremony.

EASTERN STAR MEETS IN JANUARY

Truckee Chapter Order of the Eastern Star, No. 116 will have the New Year as the theme when they meet the second of January. Mr. and Mrs. Sam Faulkner, W. P. and W. M., will preside at the session with Mrs. Stanley Zwag and her committee in charge of the refreshments.

SQUAW VALLEY VISITORS

Mr. and Mrs. Jack Ellis and Mrs. Don Ryan received a visit from the latter's nephew and family, Mr. and Mrs. Richard Urdan of Berkeley who have been sojourning in Squaw Valley. The families celebrated the birth date of Terry Lee Ellis on December 27, in the valley.

Arson Suspect Is Sought For Fires At Incline Village

CRYSTAL BAY — Definite indications that the fires which leveled two \$30,000 homes at Incline Beach were the work of an arsonist have been found and a suspect is being sought by authorities for questioning.

Identity of the suspect is being withheld pending an arrest, Deputy Lou Peterson of the Washoe County sheriff's department announced.

Peterson, of the Crystal Bay sheriff's substation, said he feels arson is the only cause to which the fires can be attributed.

Both homes, in a group of seven recently completed by Galaxy Homes of Sacramento, were structurally sound when destroyed by fire within a three-week period. Only five now remain.

Three arson experts were called in to investigate the case after a second blaze erupted in a snowstorm early Sunday morning, December 10. The first occurred just 21 days earlier.

The investigators represent the Washoe County sheriff's office, fire department and an insurance firm.

One of the investigators is expected to return from San Francisco with more complete details of the probe.

Officer Is Injured In Arrest Attempt

State Highway Patrolman Carroll Maynard is recuperating at his home following hospitalization for injuries suffered in an altercation with a prisoner at Squaw Valley Friday night. His assailant, Phillip Randall Cooper, 20, Truckee, was also treated at the hospital and later removed to the Placer County jail at Tahoe City.

Maynard, it was reported, was attempting to arrest Cooper, who was charged with violating the county sobriety ordinance, when the former kicked the officer in the groin, causing serious injury.

Deputy Sheriff James Helgesen of Tahoe City was called to give assistance and took Cooper into custody.

The trouble occurred in the parking lot at the circle.

Maynard was expected to be back on the job this week and Cooper is charged with resisting arrest and causing bodily injury.

JIM HEUGA Praised FOR SKI EFFORTS

Three 18-year-olds have been singled out for special praise by Coach Bob Beattie of the United States Alpine ski team now in training at Val d'Isere, France. They were Jim Heuga of Tahoe City, Billy Kidd of Stowe, Vermont and Bill Marolt of Aspen, Colorado.

The coach said he was not discouraged by the dismal showing of the American girls and boys in the international Critterium of the First Snow ski meet, a warmup for the February championships.

Beattie said the team will regroup after Christmas for final practice for the world competition February 10-18.

Grow Reunion—

Mr. and Mrs. Tom Grow attended a holiday reunion of the Leslie Grow family from Ft. Lewis, Washington where he is again a member of the armed forces.

Osburns At Colusa—

Mrs. Clarence Osburn celebrated her birth date, December 21, during their visit with relatives at Colusa.

Third Fire In Week Wipes Out Wight Home At Donner

The Truckee and Donner Lake Volunteer Fire Departments had a busy week, with three alarms since last Thursday.

The most destructive fire was at the west end of Donner Lake Saturday morning at 2:20 o'clock when the Milan Wight cottage adjoining the Lakeview Hotel was completely destroyed.

The fire, starting in the rear of the house, was discovered by three young skiers, who rapped on the windows of the hotel to attract the attention of Mr. and Mrs. Charles O'Beir, who sounded the alarm and then rushed to the scene with garden hose in a futile attempt to control the blaze which had already set two large pine trees afire.

The Donner department responded and was given credit for saving the hotel which was less than 50 feet away and upon which embers were falling on the roof.

Christmas Baby Is Gift For Causeys

The Harry Causeys were treated to a rare Christmas gift at 5:25 p. m. Christmas Day when a baby daughter arrived at the Tahoe Forest Hospital weighing seven pounds, 13 ounces.

Expecting the baby at any time, the Causeys enjoyed the holiday feast with the Glenn Coffey family and then Mrs. Causey rushed off to welcome the newcomer.

The little girl has been named Cherri Lee.

An 8 pound, 13½ ounce boy, Michael Gordon, was a little bit late for Christmas for Mr. and Mrs. Phillip M. MacDonald of Soda Springs, arriving December 27 at 3:02 a. m.

WAIT FOR RULES ON POLIO IMMUNIZATION

The newly effective California state polio school immunization law will not go into operation in the Tahoe-Truckee Unified School District until the local superintendent's office is in receipt of specific state board rules and regulations which will make this law effective.

Rules and regulations on required immunization, passed by the legislature in 1961, were adopted by the state board of education in December, and became effective thereafter on students registering at the beginning of the school session. Under the law students of all public, parochial and private schools must give evidence of having received polio shots.

It is questionable at this time whether this law will be effective in this district until next fall as this is not on a two semester system. If information contrary to this opinion is received, notice will be sent to all concerned immediately, Superintendent John S. Corbin announced.

MOTEL PERMIT OKHEED

TAHOE CITY — The county building department here has granted a permit for the construction of a six unit addition to the motel of C. B. Thorwaldsen of Kings Beach.

Fr. Bragg Guests—

Mr. and Mrs. Jim Walker with Terry, Karen and Ronnie spent Christmas at Fr. Bragg, guests of Mrs. Walker's father.

Notley Ill —

Bill Notley unfortunately spent his vacation time as a Tahoe Forest Hospital patient.

Few Car Crashes Mar Travel Over Highways Of Area

It was comparatively uneventful on the highways in the Truckee-Tahoe area during the long Christmas weekend, the California Highway Patrol reported.

One man was seriously injured in the two reportable accidents and officers are continuing to investigate one hit and run case.

Arthur Miranda, 26, West Sacramento suffered major injuries at 3 p. m. Saturday in a three car collision nine miles west of Truckee.

The mishap occurred when a car driven by Charles P. Dutton, Jr., 19, Berkeley, apparently lost its brakes, struck another vehicle driven by Arthur E. Lahaie, 26, Stockton, causing the Lahaie car to go into the opposite lane when it collided headon with the Miranda car.

Jack Carter, 28, Stockton, a passenger in the Miranda car suffered minor injuries and was taken to the Tahoe Forest Hospital with Miranda. Patrolman Bud McCallen made the investigation.

Jere Lee Mitchell, 26, with the U. S. Forest Service at Quincy escaped injury when his car failed to make a turn at the intersection of Route 89 and Highway 40 a mile west of Truckee Monday at 4 p. m. The car was damaged and the driver was cited for speeding by Patrolman William Gautsche.

Judith Lee Strout, 28, San Francisco was the victim of the hit and run incident on Donner Summit Friday at 6 p. m. A 1959 Chevrolet sedan apparently crossed the center line on the highway and struck the Strout car and then sped on without stopping. The driver was not injured. Patrolman Glen Virus investigated.

The patrol reports 51 citations for moving violations were issued during the long weekend.

LAKE TAHOE DROPS TO NEW LOW FOR YEAR

With clear skies and chilly weather predominating, the level of Lake Tahoe Monday had dropped to a new low for the year at 6222.71 feet.

The temperature at Tahoe City during the week ranged from 22 to 44 degrees.

In Truckee the U. S. Forest Service reported the low for the week was a chilly 12 degrees on Tuesday and Wednesday with a high of 55 on Christmas Day.

There is sufficient snow in the ski areas for winter sports and the resorts throughout the region were well filled with enthusiastic skiers during the Christmas holiday with prospects excellent for New Year's.

ICY PAVEMENT CAUSE OF ACCIDENT

Icy pavement about two and one half miles east of Truckee on U. S. Highway 40 Tuesday morning caused an automobile driven by Voncel Kay Babineau, 22, of Reno, a clerk for Wells Cargo Construction Co., to leave the highway and roll, according to the California Highway Patrol.

A passing motorist took the injured woman to Reno where she was treated at Washoe Medical Center. Her 1959 foreign-made auto was totally damaged, officers said.

To Capital—

Mr. and Mrs. Henry Loehr returned from Sacramento where they were Christmas guests.

Sacramento Visitors—

The Daven Morey family went to Sacramento for Christmas.

Vinds To Bay—

Mr. and Mrs. Charles Vind were recent bay area visitors.

Schultz Is Named Manager For Lake Tahoe Chamber

KINGS BEACH — Appointment of Fred M. Schultz as general manager of the Lake Tahoe-Sierra Chamber of Commerce effective January 1, was announced this week by the chamber's board of directors.

Schultz, an eight year resident of Kings Beach and Tahoe Vista on the Lake Tahoe north shore, leaves the position of assistant to the director of the Lake Tahoe Area Council to take the newly created post. Prior to his association with the council he was in business on the north shore, and has a long record of active participation in the Lake Tahoe-Sierra Chamber, including once having been president of the civic organization.

Schultz told the directors, following his appointment, that his immediate goals would be an accelerated membership drive coupled with a strong promotional and publicity campaign to benefit the entire Lake Tahoe north shore, Squaw Valley, and west shore areas from which the chamber draws its membership.

Appointment of Schultz to the position was the first move by the chamber's board of directors toward a broadly expanded civic program for the area, with a markedly increased budget for advertising and publicity designed to increase tourist traffic to the north Lake Tahoe region.

Deadline Is Near For Hoop Signup

The deadline for entry into the Truckee basketball town league is drawing near. All applications and rosters must be forwarded to league President John Firpo by January 2.

Regular season play will begin Thursday night, January 4, at the Tahoe-Truckee High School gymnasium. Two games are on tap. The opener will see Kings Beach Lions meeting Saway at 7 p. m. Marier's Marauders will play the Tel-Cos in the nightcap at 8 p. m. The Sierra Market Mountaineers draw a bye.

The entry fee of \$75 per team must be sent in with the applications and rosters.

All games are open to the public. No admission price will be charged.

LINDA LOYND'S BETROTHAL TOLD

Mr. and Mrs. Walter A. Loynd announced the coming marriage of their daughter, Linda to Richard Ward, son of Mr. and Mrs. George Ward of Newport Beach, California. The wedding will take place on Saturday, February 17 at Carmel, it was revealed while the betrothed couple were house guests during the Christmas holiday.

Miss Loynd and Ward are 1961 graduates of Stanford University and he is presently finishing his service with the United States Marine Corps.

THIEF STRIPS TIRES ON CAR

NORDEN — The thief who stripped two new white sidewall tires off the car of Eugene Rockman of Oakland near the Sierra Club Friday night probably had a good heart — he left two old ones in their place.

The exchange was noted the following morning by the owner who discovered the thief had apparently stopped and made the "trade" before proceeding on his way.

From Santa Rosa—

Mr. and Mrs. Tony Pace enjoyed as guests, their son-in-law and daughter, Mr. and Mrs. Bud Arnold from Santa Rosa.

Higher Voltage Is Being Requested For District Lines

The directors of the Truckee Public Utility District on Tuesday night welcomed back to their meeting Director Pat Greenhouse, who has been on the sick list for the past several weeks and unable to attend the meetings.

The directors, after listening to the report of Manager Francis Longo and Chairman Ben King on a meeting held with the director of public utilities, J. McNaughton, of the California Public Utilities Commission in San Francisco on December 14, voted to take all steps necessary to obtain the required and desired higher voltage from the Sierra Pacific Power Co.

This higher voltage, which the district has repeatedly requested from the Sierra Pacific Power Co. for the past two years, is necessary, for the district to be able to supply the service demanded by its customers and to provide for the growth of the system.

It was decided to hire Martin McDonough of Sacramento, as special attorney, to represent the district in its efforts to obtain an allotment of public power from the bureau of reclamation from whatever source is available.

As a measure of economy, it was further decided to discontinue the services of attorney Paul Chamberlain of Auburn, and accept the services of District Attorney Harold Berliner of Nevada City, who has advised members of the board that it was his duty as district attorney of the county to render such legal services as the district may require without cost.

Last Rites Held In Auburn For Dolley

Funeral services for Fred Dolley, 80, father of Constable N. F. Dolley of Truckee and widely known in this area where he spent much of his life, were held yesterday at the Chapel of the Hills in Auburn. Interment will be in the Mountain View cemetery at Reno this afternoon at 1:30 o'clock.

Dolley expired at an Auburn hospital Christmas Day following a protracted illness. He was a native of Sierraville, born December 14, 1881. His parents, the late Mr. and Mrs. Linus Dolley were pioneers of Sierra Valley.

For the 20 years prior to his retirement in 1940, he operated a merchandise store in Sierraville and had a store in Reno prior to that time. In 1940, he and his surviving wife, Jean, went to Santa Cruz but last year moved to Auburn to make their home.

Surviving besides his wife are two sons, Norval F. of Truckee and Jack of White Pines. A daughter, Marjorie Gorman lives at Reno. There are four grandchildren and four great grandchildren.

DIRECTORS NAMED FOSTER PARENTS

The directors of the Tahoe Forest Hospital District received a unique Christmas gift last week from the hospital architects, Cox-Liske & Associates.

Each of the directors was named as a foster parent to a five year old Korean girl, Park Young Ran and the architect firm has notified her with a substantial contribution in the name of each director and Administrator John McGlade.

The new foster parents are Charles Heller, Nace Firpo, James Sherritt, Gordon Moyer and Ted Barrett.

NEW YEAR'S EVE PARTY AT CAPITOL

A New Year's Eve party will be held at the Capitol in Truckee sponsored by the Shadow Valley Country Club. A live orchestra has been obtained for the affair and it is open to the public at \$3.50 per person.

Tickets may be obtained at the downtown office of the Donner Trail Real Estate or from Patti Fink or Majel Rose. A buffet will be served at midnight.

WYATT'S CONVICTION IS UPHOLD IN COURT

RENO—Nevada's Supreme Court has upheld the conviction of Dr. Thomas D. Wyatt for attempted abortion. He was found guilty by a Washoe County District Court jury February 20, 1961.

The high court found that the five errors assigned by the defense attorneys were without merit and affirmed District Judge Clel Georgetta's order denying the Lake Tahoe physician a new trial.

The 61 year old doctor, who has practiced at Crystal Bay and Redding and who owns Carson Hot Springs, was sentenced to one to two and a half years in the state prison after his conviction.

WOMAN DRIVER IS SENTENCED TO JAIL

Christine E. Hamlin, 46, of Reno, Nevada was sentenced to \$276 or 55 days in the county jail for drunk driving. Miss Hamlin was arrested last week by the California Highway Patrol in Truckee and appeared in Truckee Judicial District Court Thursday. She is serving the jail term in lieu of the fine.

It appears that the pump on Kerr's car went out four miles east of Truckee on a cold winter day. He and his passenger, Lt. Col. Choum Myoung Soun, aide to the commanding general of the ROK Air Force, were hopelessly stalled until Hutchins put in his appearance, and rendered aid.

The act made a very favorable impression on Kerr's guest.

COMMITTEE URGES LESS SMOKING IN WOODLAND AREAS

SACRAMENTO—CNS — A senate fact-finding committee has heard a proposal that persons using the wildlands should smoke less and enjoy the lands more.

The committee on natural resources heard and indirect proposal that smoking and the possession of cigarettes be outlawed in wildland areas during the fire seasons. The committee was holding a two-day hearing in the capital on possible prevention of range fires.

Senator Virgil O'Sullivan, Williams, said cigarettes and matches have been given as the cause of many fires. He asked State Forester Francis Raymond if it was such a large cause that smoking and the possession of cigarettes should be prohibited in wildlands.

Raymond said this could be possible if proper standards were set up by the legislature. O'Sullivan asked Raymond if he would recommend such a law and Raymond said it might be a possible solution.

Raymond presented statistics on causes of fires up to October 21 of this year—a year in which the state spent \$18 million in fire suppression and prevention. The statistics showed of 3,154 fires this year, 298 were set by lightning and 2,856 were man-caused.

Of the total fires in 1961, the figures showed 51.5 per cent were caused by local persons, including rancher-farmer, 7.27 per cent; tenant-resident, 7.65; children, 13.38; travelers, 6.62; commercial transporters, 1.9; forest products workers, 2.12; construction workers, 1.48; hunters, 2.41; fishermen, .26; recreationists, .71; tramps, .06; and others, .942.

Another 26.6 per cent of the fires were caused by non-local persons. Raymond's statistics showed, including children, .61; travelers, 15.69; commercial transporters, .77; hunters, 3.28; fishermen, .39; recreationists, 2.64; tramps, .55; and others, 2.73.

The other 21.7 per cent of the fires were caused by other casual agents, including railroads and other vehicles, 7.4; structural agents, .39; miscellaneous, 4.58; and lightning, 9.45.

In another breakdown of causes, Raymond said 13.19 per cent of fires were incendiary in nature, while 36.13 were blamed on smokers—tobacco and matches.

Senator J. Howard Williams, Porterville, noted at the outset of the meeting that it was financially impossible to have enough men posted throughout the state to detect every fire in time to control it before it caused damage.

Trinity Dam in Northern California is the world's highest earth-fill dam.

EARLY DUSK ADDS TO DRIVING HAZARDS

The earlier dusk of the fall season is a driving hazard which many motorists are inclined to overlook, pointed out California Highway Patrol Commissioner Bradford M. Crittenden.

"Each day, darkness begins to set in a little earlier. The most dangerous period, the 'half-light' between full sun and complete darkness, now comes just as many drivers are leaving work."

"Neither headlights nor the remaining sunlight are sufficient to provide completely accurate visibility. Caution dictates lowered speeds to compensate for reduced vision," he said.

The commissioner also pointed out that when it becomes necessary to turn on vehicle lights, the driver must use headlights, not parking lamps.

"The law prohibits use of parking lights as a substitute for headlights. Any time you are driving and have the lights on, be sure you are using the headlights, not the parking lights."

COLLEGE ENTRANTS MUST HAVE 'SHOTS'

Sierra College, like all other public institutions in the state of California, has joined the drive to stamp out polio.

All students, old or new, who enroll for classes at Sierra for the spring semester must have started their polio vaccination shots, or must start them immediately before they can register, Registrar James McClusky warned today.

A new state law states that no student can be registered until they have started their shots. The only exceptions will be for those with specific religious objections and those whose physicians request they be excused.

McClusky warned the law applies to all students already enrolled at the college, as well as to new students.

DONNER DOINGS

By VIRGINIA O'BEAR

I hope everyone had an enjoyable Christmas with their loved ones. We most certainly did and in our own home which looked mighty doubtful for a while as there was a fire next door at the Milan Wight cabin. About 2:20 a. m. a couple of young men driving by woke us up and the cabin next door was on fire. Charlie dashed over and turned off the power and gas while I called the Donner Lake Volunteer Fire Department. The firemen came with the big tanker and the smaller truck and in no time at all confined the fire to the cabin. Several tall trees were on fire and even though the cabin couldn't be saved, the firemen watered down our roof and sun deck as the sparks were falling on us. We are so grateful to the young men who stopped and to the firemen who worked so efficiently in the cold to save our place and the surrounding homes. We are grateful to Hal Welch also for helping get our boat out and for furnishing coffee to the firemen. Also to

Paula Quist for getting the little house and bringing the coffee to our place. After the excitement was all over, Charlie and I couldn't go back to sleep. He kept watering down next door as the fire flared up again several times during the morning. We notified Mrs. Wight in Concord and she said she dreaded to tell Milan as he was still in the hospital just recovering from surgery. We hope he recovers soon and that they will rebuild in the spring.

Our Donner newlows, Mr. and Mrs. H. Carles arrived back home from Oregon just in time for Christmas. Mrs. Carles, a nurse gave the hospital two weeks notice after her marriage to Charles December 10. Now that she is no longer living in Portland, we hope they both will be very happy at Donner Lake.

There will be open house this Thursday afternoon at the Donner Lake School of Dancing. The dancing pupils and their parents will meet to check the progress of the small fry. This is a good idea and Martha says they will have a get-together every so often for the benefit of the parents.

Mr. and Mrs. Don Hoffman of

Oakland spent the Christmas holidays at Donner Lake. They went skiing at Squaw Valley and Soda Springs and said the skiing is great. They visit this area every winter.

Mr. and Mrs. Bert Johnson and family from Novato arrived last week and will be here until after New Year's. They held a pre-Christmas party last Friday evening and it was really open house. The party started at the Shorty Harris home where cocktails were served then the guests went to Bert and Arline's for a buffet. It is so good to have the Johnsons here for the holidays.

Mr. and Mrs. Paul Early are back at their Cottage Pines Motel after spending a month in Sacramento. Paul was doing some contracting work there but both are happy to be back home at Donner Lake. Mrs. Early is feeling fine now and was fortified with shots before returning home to help her through the winter so she won't catch so many colds.

Our son Chuck arrived home Christmas Eve from Santa Rosa to spend the holidays with us. Most of you will remember Chuck as he worked at Z Market last summer. He will go back New

... and a good time was had by all. — This, I imagine, should cover the Christmas holidays for most ... at least, it was wonderful for us and the spirit, though belated, seemed to be high throughout the area with small, intimate gatherings here and there on the eve of Christmas. Now we have the New Year to look forward to and I'd like to remind you once again of the party to be held at the Capitol sponsored by the Shadow Valley Country Club ... Patty Fink tells me that the orchestra is coming at 10 p. m. so this completes the arrangements ... drop by my downtown office for your tickets or contact Patti Fink of Majel Rose. They are \$3.50 per person and this includes a fancy buffet and all the extras ... It is not necessary to be a member to attend ... everyone is welcome ... hurry along now for your reservations ... the tickets are going fast. REMEMBER New Year's Eve at the Capitol.

It was very sad to hear of the passing of Fred Dolley, father of our good friend, Tom Dolley. We were acquainted with him several years and he was truly a wonderful

GATEWAY MOTEL IS NAMED IN NEW BOOK

ITHACA, N.Y. — The Gateway Motel in Truckee, has received national recognition in the new 1962 edition of the Duncan Hines travel book "Lodging for a Night" Roy H. Park, editor-in-chief of the Duncan Hines Institute, announced.

The Gateway Motel is one of 4,800 lodging places in North America Recommended by Duncan Hines.

Other Duncan Hines books are

ful person ... our sincere sympathies to Tom, Gladys and family ... Eve Popovich was called to Ely, Nevada suddenly due to the illness of her mother. She called to say she is not certain when she will get back depending on the results of tests being taken this week ... Cliff Ellis has his daughter and son, Debbie and Kit, visiting him and is driving them down for a desert vacation this week ... we saw lights burning brightly in the new home of Skip and Peggy Ferdinand last week ... another family comfortably settled in their newly completed home ... I understand Virginia Paddock is convalescing from a session in the hospital ... hurry back to good health, Virginia so you won't miss the New Year's party.

the companion travel books, "Adventures in Good Eating," also newly republished; and the Duncan Hines guide to resorts and vacation spots, "Vacation Guide," the latest edition published in July.

"This is our 27th year of continuous publication and service to the American traveling public," Park stated. "It is also our fifth year of continuing surveys — our public opinion audit of eating and lodging establishments. This year we received 60,000 nominations of more than 12,000 restaurants, hotels, motels and resorts from 11,000 people who have the means to eat and stay at the best places in North America."

These survey results plus comments from the traveling public actual inspection by a staff field representative, Park said, provide the guides for making the final selection of the three out of 100 establishments in the hospitality industry listed in the three Duncan Hines travel books.

Swanee's Letter

(Editor's Note: The following letter from our good friend Swanee, who for many years was the Tahoe City correspondent for the Sierra Sun and who has scores of friends in the area who will be pleased to hear from her after so long a time.

Dear Folks:

Just a few hasty lines at the "nth" minute before the Christmas rush to beg your forgiveness for having neglected you so shamefully. It was truly unintentional, my excuse being, that I had a lot of odds and ends of news about former Tahoeites who are scattered about all over. . . and I intended to send it along for the Sun. . . but when I had the time to write I couldn't locate the news I wanted to send. . . (in personal letters) so I'd put it off. . .

wanted to write a long letter, when I did, and the result was the prostrator got nowhere. So please forgive my tardiness, it wasn't because I didn't think of you. . . I have constantly. . . and Betty has been sending me the Sierra Sun ever since I've been gone. . . over a year and a half. . . Believe me folks, you just can't imagine how good my native state looked to me on returning last November 12 from the midwest. . . I'm so sick of terrific wind, and thunder and lightning storms, with their sudden torrents of rain, or hail as large, in some instances, as baseballs. . . (I have a picture of a lady holding two hailstones and a baseball and you can't tell the difference). . . and many was the night when daughter Phil got us all up in the middle of the night while we listened via TV every 15 minutes for the tornado warnings to mention our locale. . . after it had passed us by we could clamber

Bacchi's Inn will be the place for the luncheon meeting of the Women's Club of Tahoe City, convening at half past twelve on January 4. Virginia Cassella will present a health program and later cards and other games will occupy the afternoon event.

Stella Watson has been a guest at the bay district home of her son-in-law and daughter, Mr. and Mrs. Collins.

Mrs. Fred Rockholm announced a reminder to Emblem Club members that the date of the regular meeting has been changed to January 8. Also that an afternoon social meeting will soon be held, details may be obtained in the club bulletin.

Word's around Jackie Jensen will open a Lake Tahoe restaurant next summer rather than return to major league baseball.

A marriage license at Minden, Nevada, was issued to Thomas M. Mahaffey, 45, of Crystal Bay, and Margaret Speeter, 24, of Kings Beach.

MARIE HENRY GIVEN ACHIEVEMENT AWARD

TAHOE CITY—Marie Henry of Tahoe City, was the proud and surprised recipient of the "Woman of Achievement" award given by the Soroptimist Club of Lake Tahoe, December 19. The award was made by club president, Maggie Stollery, at the annual Christmas party, given at the Tahoe City home of Barbara Spitsen.

This award, given on the local level, places Mrs. Henry in national competition for the national award given by the Soroptimist Clubs of the Americas each year. Following the award, 30 members and guests enjoyed a buffet dinner and gift exchange.

Program for the evening was provided by Barbara Spitsen, Louise Scoville and Helen Beaverson. Barbara Spitsen was the unanimous nominee of the club to apply for the position as regional secretary.

Soroptimists will begin the New Year by resuming their meetings at the Crystal Bay Club in Crystal Bay.

Meetings slated for January are: luncheon meetings on January 9 and 16, with a program meeting in the evening, on January 31. A special board meeting has been called for Wednesday night, January 3 at the Crystal Bay Club.

Serving on the board of directors, Ruth Burris of Crystal Bay; Audra Holmes and May Murray and Ellen Sklar from Kings Beach; Blanche Donaldson, Marty Reick, Louise Scoville and Maggie Stollery, from Tahoe City.

The U. S. Army's Sharpe General Depot, between Stockton and Manteca, is an extensive supply and maintenance center serving the western United States and the entire Pacific Ocean area.

back into bed. . . but you never knew when you had to make a sudden dive for the basement. . . funny thing was. . . I have seen it rain two inches in the night, and in the morning when traffic started everything was dry except maybe a little damp spot or two in the gutters. . . It was the only place I ever saw the humidity rise to 100 degrees. . . and no one ever waters a lawn, or garden. . . these sudden all-year-round quick showers keep everything green. Well, they can have their old weather. . . I sure hated it. Those terrible storms. . . especially when I was home alone. . . so I don't want to go back, really. Just may go over to Marie's in Reno for a visit.

I had my very first plane ride from St. Louis to L. A. via TWA jet. . . flew all the way at 31,000 feet. . . then from L. A. to San Francisco airport at 26,000. . . the entire trip of almost 2,000 miles taking just 5 1/2 hours of actual flying time. . . I was scared silly when Phil and the girls saw me off at St. Louis, but I sat between two handsome government agents who kept me posted as to just what we were about to do all the time, and it sure helped relieve the strain. . . they took wonderful care of me. . . I was born in L. A. and that was the first time I ever came back since I was around 8 months old. . . my own mother died when I was just a baby, and is buried there. . . the weather was perfect, and the trip was heavenly. . . there were 130 passengers and four stewardesses. . . so now I feel like a seasoned traveler.

Must run folks. . . have so much to do yet. . . will try and keep in touch a little better from now on I have in the past. . . am feeling pretty well, for an old lady. . . and truly hope to see you soon and say hi in person. Every good wish for you and your wonderful family, and many more successful years for my old love. . . the Sierra Sun. . . my very best to you both.

As ever and always,
fondly,
Swanee

NEW YEAR PARTY AT NEVADA CLUB PLAN

The plans are complete.

The stage is set. The players are ready for fun. And the party's on. The fun event of the year for visitors and residents of Lake Tahoe kicks off next Saturday night when the Nevada Lodge throws wide the doors to its annual "round the clock" New Year's weekend festival.

Amidst a winter snow scene reminiscent of a Grandma Moses' painting, the Nevada Lodge's glamorous Nevada Room will feature dinner-dancing Saturday and Sunday night from dusk to dawn to the music of Buddy La Pata and his Orchestra.

Favors, horns, paper hats, and confetti supplied by the Lodge add to the festive New Year's weekend celebration.

A floor show starring the comedy team of Rossi and Boyer takes the center spotlight at the band breaks in the Nevada Room. Brought back by popular demand, the Rossi and Boyer duo, billed as "Masters of Mirth," double in the musical department — with handsome Bill Rossi on the vibraharp and vocals. His partner, Charlie Boyer, a big man in every way, plays a rare trumpet, booms away on the base fiddle.

NEW VACCINATION LAW EFFECTIVE SOON

SACRAMENTO—(CNS) — Regulations which will put into motion the law requiring all public school pupils to be vaccinated against polio will take effect in mid-January, the state department of public health reported.

Students already admitted to school this year will be required to give evidence of immunization against polio when they come up for re-enrollment which, in most cases, will be next September.

The compulsory vaccination law generally will apply to all pupils enrolled in school from kindergarten through junior college. However, an exception from the requirement will be made where immunization is contrary to the belief of the pupil or parent.

The regulations adopted by the board of public health to implement the law include a vaccination time schedule, what constitutes adequate protection, vaccination procedures, proof of vaccination, establishment of vaccination programs by local health officers and school immunization records.

The department said that the oral vaccine is not considered adequate immunization against paralytic polio at this time. The department said the oral vaccine affords protection for only Type 1 and 2 polio, while the Salk vaccine gives protection against all three types of polio.

Freedom from sin, sickness, and limitation is available to all through the power of Spirit, God. This is the encouraging message to be emphasized at Christian

Science services Sunday.

Bible readings in the lesson-sermon entitled "Christian Science" will include (Matt. 9): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people."

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Every day makes it demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them. This is an element of progress, and progress is the law of God, whose law demands of us only what we can certainly fulfill" (p. 233).

EDUCATION GROUP WILL MEET IN RENO

RENO—The Pacific Northwest Conference on Higher Education, a regional organization of colleges and universities, has accepted the invitation extended by President Charles J. Armstrong to hold its annual meeting next year on the Reno campus of the University of Nevada.

The conference has been set for

June 14, 15 and 16. Keynote speaker will be Dr. Sterling M. McMurrin, U. S. Commissioner of Education. Chairman of the steering committee for the 162 conference is Dr. Robert T. Roelofs, chairman of the department of philosophy at the University of Nevada. Serving with him will be faculty members and administrators from colleges and universities in Oregon, Washington, British Columbia, Utah and Idaho.

LIFESAVERS

The best drivers allow a safe distance between their car and the one ahead. This margin should be at least 35 feet when traveling at a speed of 30 miles per hour, 50 feet when traveling at 40 miles per hour, 75 feet when traveling at 50. Don't place impossible demands upon your reflexes by being a "bumper hugger," says the California State Automobile Association. Allow a generous margin and be safe.

TAHOE SEWER STUDY DELAYED BY GROUP

Contingent upon Nevada being able to finance its share of the cost, members of the California-Nevada Compact Commission have agreed to meet the week of February 26 for further discussion of Lake Tahoe problems.

This decision came at the end of a two-day meeting in Reno last Thursday to consider Tahoe's sewage problems and the composition of the Nevada half of the permanent compact commission.

Unless the state board of examiners approves an emergency appropriation of \$10,000 to finance Nevada's participation in the compact when it meets January 19, the negotiations will be recessed until July 1. At that time the second half of the last legislature's appropriation will become available to the Nevada commission.

Committees attempting to reach agreement on an equitable division of water from the Truckee, Carson and Walker rivers were directed to continue working as long as funds are available.

DEER POLICY TO BE DECIDED IN APRIL

California's Fish and Game Commission has announced it will vote at its April, 1962, meeting regarding what changes, if any, are to be made in the commission's present deer management policy. On December 8 the commission completed hearing extensive testimony on the subject from the public and all agencies involved.

The commission announced it will accept written statements or recommendations on the subject until 10 days prior to its April meeting, but will not hear testimony on its deer management policy at that meeting. The April meeting date has not yet been set.

STATE TO PURCHASE NEW COMPACT CARS

SACRAMENTO—(CNS)—Governor Edmund G. Brown announced that all 1838 new passenger vehicles scheduled to be purchased by the state during the coming year will be compacts.

Brown estimated the state will save about \$98,000 in purchase costs and about \$100,000 in operational and maintenance costs.

Contracts for the purchase of the vehicles have been awarded to nine dealers in the Sacramento,

TRASK WILL RETIRE FROM STATE POST

J. W. Trask will retire as deputy state highway engineer in January after 33 years of state service in highway engineering and administration.

For the past 16 months Trask has been State Highway Engineer J. C. Womack's deputy in charge of all activities involved in highway planning.

Prior to that position he was district engineer of District III at Marysville and was well known in Truckee and at Lake Tahoe. That position is now held by Alan S. Hart.

Friends will honor Trask at a dinner in Sacramento Inn, Thursday, January 4.

PAYMENT IN LIEU OF SUSPENSION TAKEN

SACRAMENTO—(CNS)—The state department of alcoholic beverage control announced it has accepted payment of \$685 from the Squaw Valley Development Co. in lieu of a suspension of its on-sale general liquor licenses.

The firm, which has a concession from the state division of beaches and parks to operate state facilities built for the 1960 Winter Olympics, was charged with violations during a crackdown on juvenile drinking in ski resorts more than a year ago.

The firm, on December 19, 1960,

was charged with sale to a minor, on public premises. The \$685 represents 20 per cent of the gross business estimated for the period of suspension.

MAN FOUND GUILTY OF MISDEMEANOR

Charles Skellen, Jr. 21, of Truckee was found guilty last week of the misdemeanor offense of taking a car without the owner's permission, after the jury deliberated for almost one hour.

Skellen was charged with a felony, auto theft, but Judge Vernon Stoll instructed the jury that if they found reasonable doubt that

the defendant had specifically intended to take the car permanently they could bring in a verdict of the lesser guilt.

Skellen was involved in a hit and run accident October 24, while driving a car which he admitted taking from the Ed Iron's Used Car lot in Gateway, near Truckee. He told the jury he only took the car from the lot where he did odd jobs to do a personal errand and did not intend to take it permanently.

EDDIE CHARLES PLAYS AT MINDEN

A rousing home-coming for singer Eddie Charles, just prior to an extensive series of San Francisco bay area night spot engagements, will be held at the Pony Express in Minden, Nevada, on New Years Eve.

Young Charles, who is better known in Minden as "Chuck" McVeety, is staging the show through an arrangement with his father and mother, Mack and Ruth, who own the Pony Express.

Charles, a protege of famous crooner Rudy Vallee, just finished an engagement at the Italian Cellular, in San Jose, where he resides. Next month, he plans to open at the new and exclusive Star Dust Hotel in Palo Alto.

Accompanying Charles will be Lance MacArthur, young pianist and student at San Jose State College. MacArthur, from Sacramento, headed his own high school orchestra, which appeared on Capitol city television stations.

SKIS ARE STOLEN IN SQUAW VALLEY

TAHOE CITY—There may be an organized traffic in stolen skis in the Squaw Valley area.

During the past month officials have received reports of about 20 stolen pairs of skis and they believe this a conservative number as many do not bother to report the loss.

Officers theorize that the thieves sell their loot outside the area. Deputy Sheriff Lou Conrad said that if a thief makes off with four sets of expensive skis, valued at from \$100 to \$150 and resells them at \$50 a pair, "that's a nice day's work."

Just within five days, nine persons reported their skis had been stolen from the Winter Olympic site.

THIRD SERVICE STATION BREAK-IN

KINGS BEACH—The third in a series of service station burglaries was reported with the break-in of Howard's Chevron Station last week on either Tuesday night or Wednesday morning.

Glass in the door was broken and \$60 in cash, \$6 worth of cigarettes, \$15 from the cigarette machine and \$240 worth of candy bars taken. Damage to the premises was estimated at \$40.

Broken into previously were Kenny's Shell Station and the U-Save Station both at Kings Beach.

Placer County sheriff's deputies are investigating.

ADOPT STATE CODE FOR MOTELS IN PLACER

AUBURN — At last Tuesday's meeting, county supervisors adopted the 1961 state code for inspection and regulation of motels in the unincorporated areas of Placer County.

According to new laws recently passed by the state legislature, all counties must assume this responsibility or the regulations will be enforced by the state.

On the recommendation of Chief Building Inspector Jack Bell, board members will let state officials inspect and regulate all trailer parks in the unincorporated portions of the county.

ANTI-VAGRANCY LAW CAUSES BOARDS TO ASK SPECIAL SESSION

SACRAMENTO — (CNS) — A 1961 law designed to prevent persons from being arrested for vagrancy has caused the county supervisors association of California to urge special consideration at a special session of the legislature in 1962.

The law, authored by Assemblyman John A. O'Connell, San Francisco, had repealed most of the existing law designating certain misdemeanors as vagrancy. The new law differs basically from the previous law in that it penalizes acts, rather than status or condition.

The effect, the CSAC reports, is that drunkenness in a public place now becomes a misdemeanor rather than vagrancy.

"The effect of the legislation is to transfer to county taxpayers responsibility for the maintenance of large numbers of additional prisoners formerly cared for at city expense," the association said.

William R. MacDougall, general counsel for the supervisors, said this is the single issue deserving top priority attention by the legislature in 1962.

"If the new law is not repealed, then an immediate adjustment of county and city sharing in state liquor license revenues is indicated," MacDougall said. "Presently these revenues are given largely to the cities, since the cities had substantial prisoner care costs resulting from abuse of alcohol."

"These costs are now being shifted to the counties," MacDougall said.

10 BIG STORIES

(Continued from Page 1) ening State Route 28 at North Tahoe.

10.—Investigation of several fires in Truckee believed the work of an arsonist.

There were more—many more—stories which, in the opinion of many may have been of greater importance, such as the success of the regattas held at Tahoe and Donner; the tragic deaths of a number of prominent citizens and youths; the healthy advance in school registration; the continuing arguments over the re-routing of Emerald Bay road and scores of other matters.

One of the most unusual stories of the year was the one in which four members of a Sacramento valley family escaped death when a miracle kept their car afloat on Donner Lake until they were all rescued.

The year has been a good for most and like other years has had its trials and tribulations, but the region has advanced materially and for the most part a sad farewell will be accorded 1961 with a wish that 1962 will be even better for all.

NEW TAX GUIDE READY FOR PUBLIC

Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley counties, district announced that the U. S. Treasury Department has prepared three income tax guides for use in 1962.

All are new editions of publications which have been popular in past years. Your Federal Income Tax, published for individual taxpayers; Tax Guide for Small Business, published for operators of small businesses, and Farmer's Tax Guide, for persons in agriculture.

NEW AUTOMOBILES PURCHASED BY PATROL

SACRAMENTO — (CNS) — The California Highway Patrol announced a purchase order has been ordered to a Woodland automobile dealer for the purchase of 362 Chryslers for use as patrol vehicles.

Bradford M. Crittenden said four bids representing two makes of cars had been submitted. The bidders agreed to meet all CHP specifications for vehicles, which are in the 122-inch wheel base class.

Recuperating—Neighbors of Mr. and Mrs. P. H. Greenhouse recently welcomed them home from Sacramento. He is recuperating from a recent operation and plans to take it easy for at least a month, Mrs. Greenhouse said.

From Utah—Mr. and Mrs. A. L. Cuyler of Utah spent the holidays at the homes of their sons-in-law and daughters. Mr. and Mrs. Lauren Russell of Truckee and Mr. and Mrs. G. L. York of Greenville.

Donner Guest—Mr. and Mrs. Walter Jellin had as their recent guest, Herb Swartz of Seattle, Washington.

ALIENS MUST REPORT THEIR ADDRESSES

Ralph H. Holton, district director of the United States Immigration and Naturalization Service stated that the period within which aliens must report their addresses is almost at hand.

The month of January has been set for the address reporting period. All aliens in the United States, with few exceptions, must report their addresses to the government during that period.

Holton said that forms with which to make the report will be available to all post offices and offices of the immigration and naturalization service during the month of January.

Holton urges all aliens to comply with reporting requirements, as willful failure to do so may lead to serious consequences.

1961 BUCK KILL IS REPORTED

County-by-county tabulation of California deer tags returned to the department of fish and game show that the 1961 buck kill was above average for the past five years in 39 counties and below the five-year average in 18 counties.

Statewide, the reported 1961 buck kill was 69,118 compared to the past five-year average of 68,665.

In Nevada County the kill was 1,016, or below the average of 1,043, while Placer County showed a gain with 899 killed compared to the average for five years of 747. Sierra County was also above the average with 922 killed compared to the average of 887.

G. J. ROBERSON SERVES ABOARD SHIP

WESTERN PACIFIC (FHTNC)—G. J. Roberson, seaman, USN, son of Mrs. Ruth G. Roberson of Truckee, is serving aboard the ammunition ship USS Firedrake operating with the Seventh Fleet in the Western Pacific.

Though operating at sea and nearly 7,800 miles from the U. S., Firedrake crewmen celebrated a traditional Christmas Day aboard with holiday menus, festivities and Yuletide decorations.

Go North—Mrs. Eve Hallett and daughter, Sue have been visiting relatives at Aberdeen, Washington.

New Student—Mike Becker recently transferred to Tahoe Truckee High School from Colfax.

The Joe Straubs returned from a holiday visit to Berkeley.

Featuring **BATHLESS GROGGINS** by **RAEBURN VAN BUREN**

"BACK-T' NATURE GROGGINS" THEY'LL CALL ME IN ALL THE HISTORY BOOKS. THERE'S ENOUGH O' THESE ISLANDS T' ACCOMMODATE THE WHOLE POPULATION WHAT'S SICK AN' TIRED O' BEIN' COOPED UP IN CITIES!

ALL A FELLER NEEDS IS A COUPLE O' TWIGS AND A LITTLE KNOW-HOW. IN NO TIME AT ALL HE'S GOT A PLACE TO LIVE!

HE CAN REACH UP AND PULL DOWN ENOUGH GRUB T' FEED HIS STUMMICK--AND AVOID THE COMPLICATIONS O' TOO MUCH RICH FOOD!

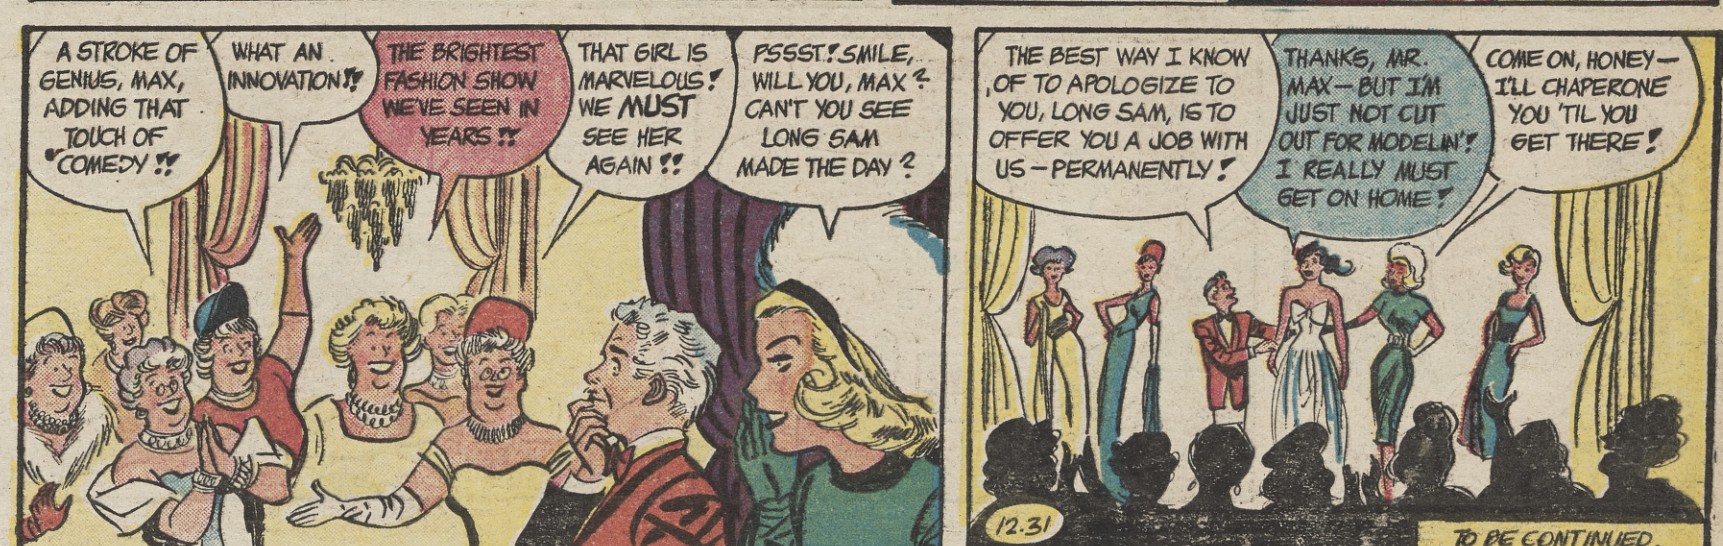

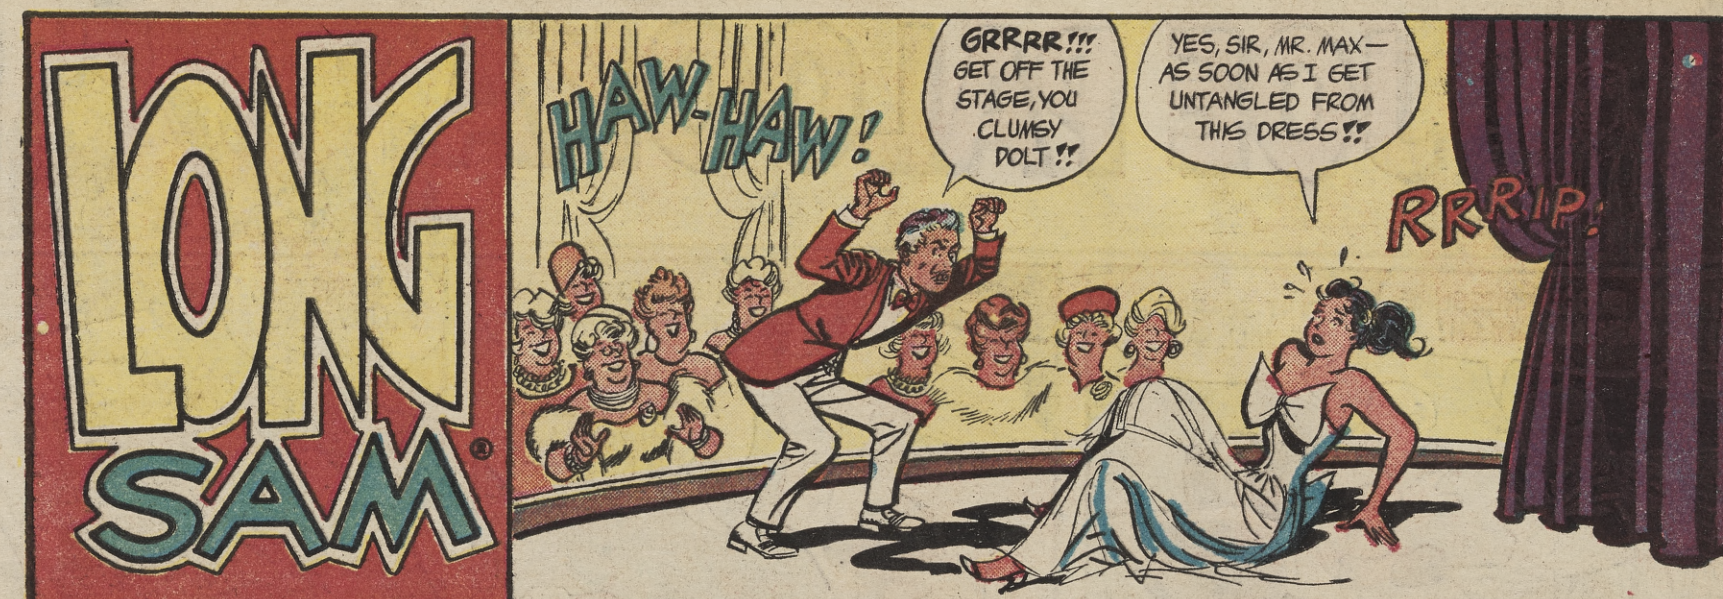

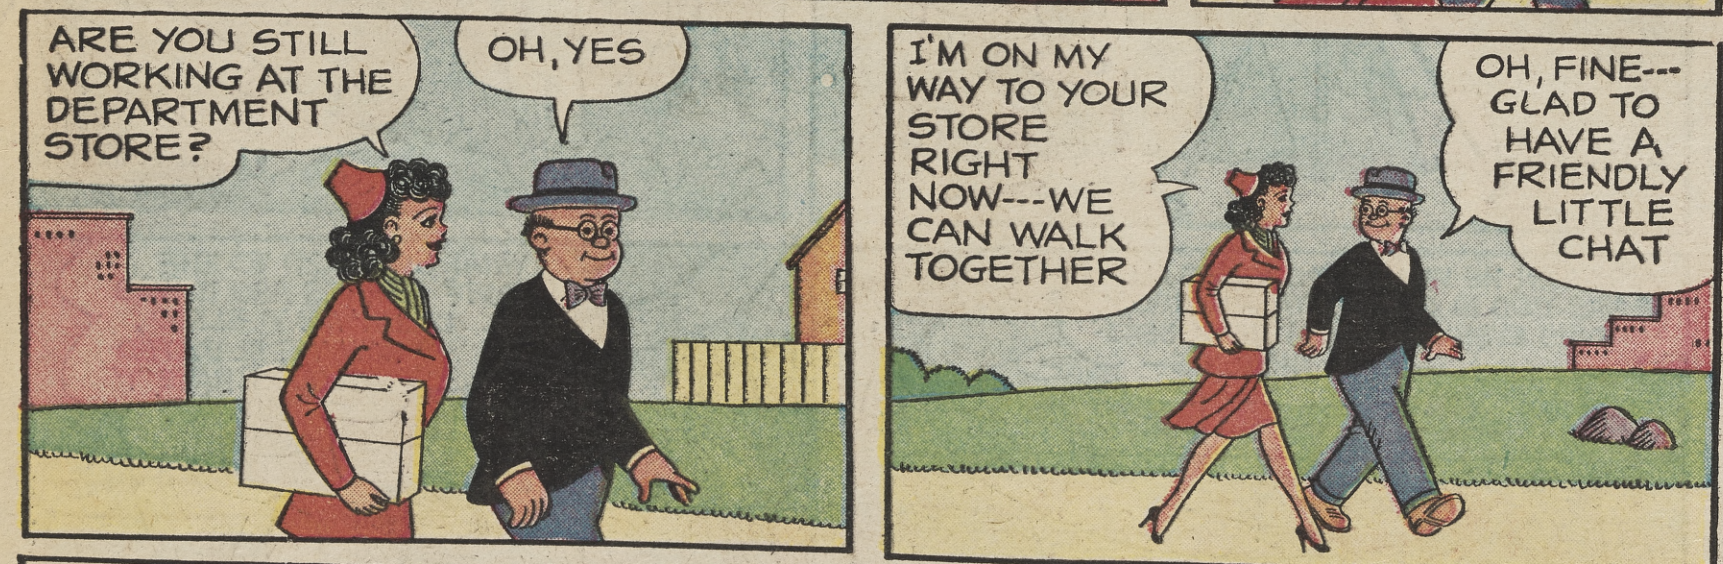

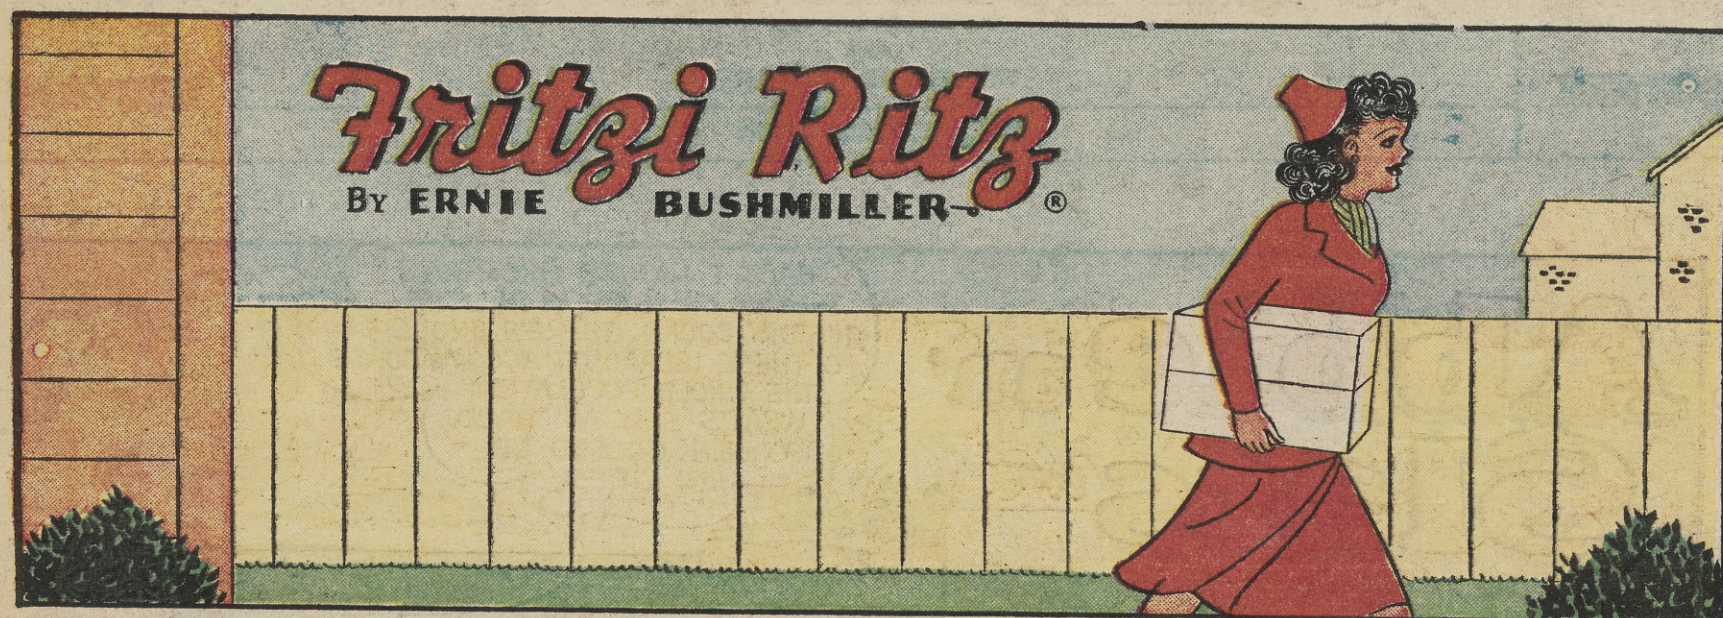

AND WHEN HE WANTS T' SNOOZE ALL HE HAS T'DO IS CLIMB INTO A HAMMOCK, SHUT HIS EYES AND (SIGH) THINK BEAUTIFUL THOUGHTS--

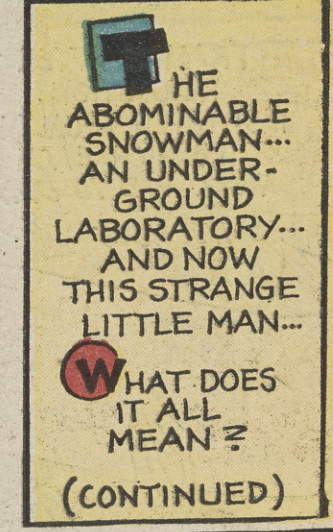

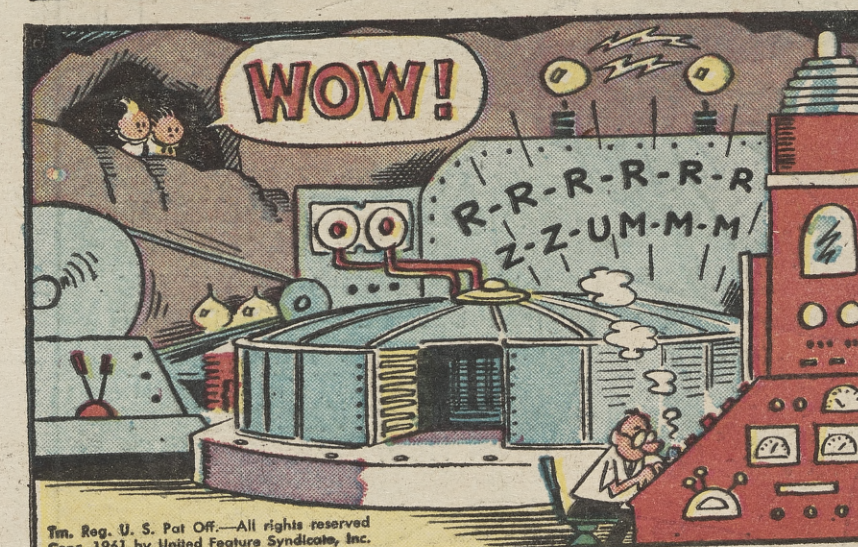

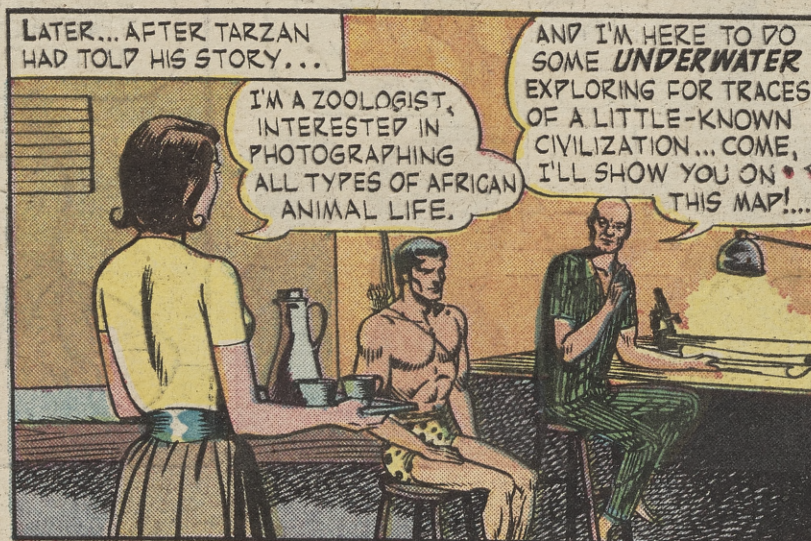

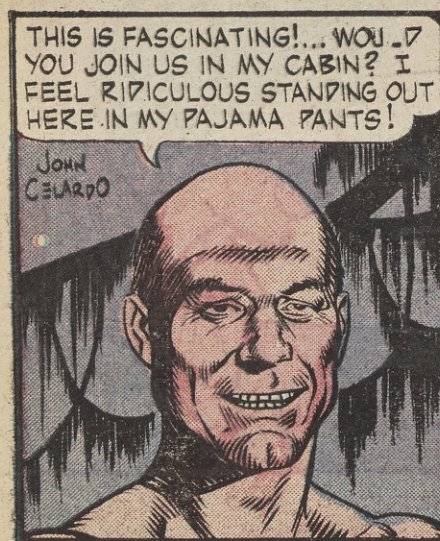

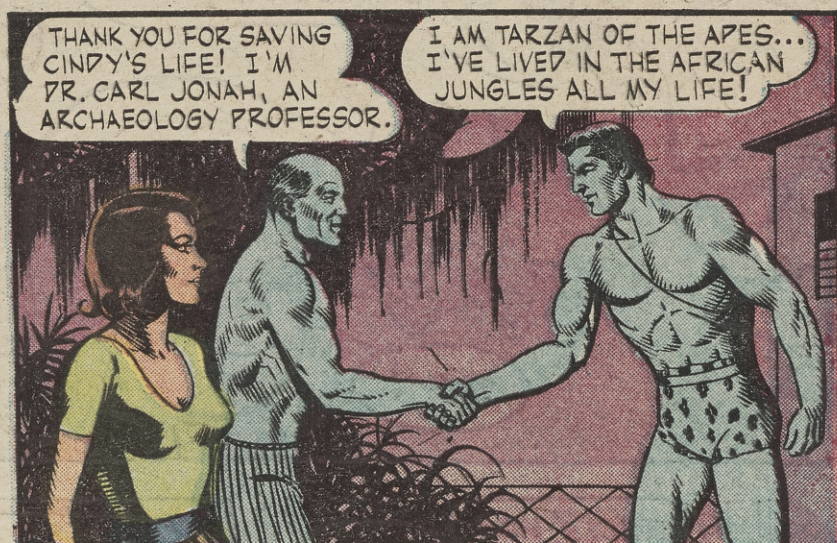

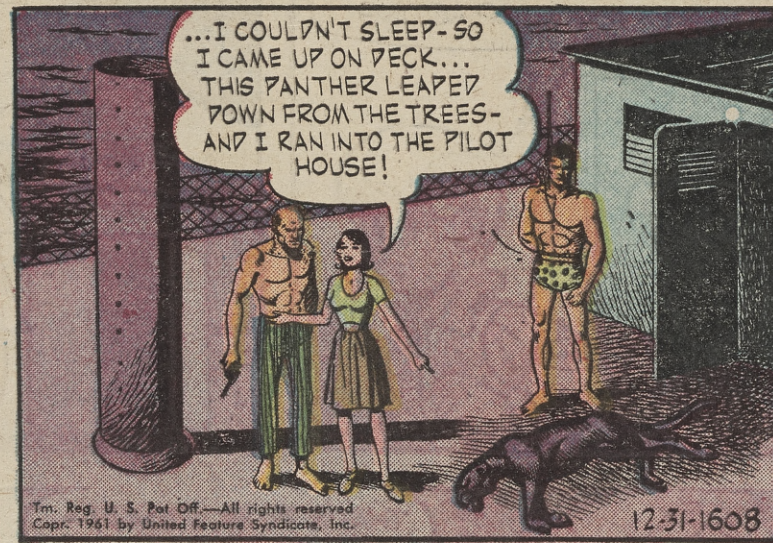

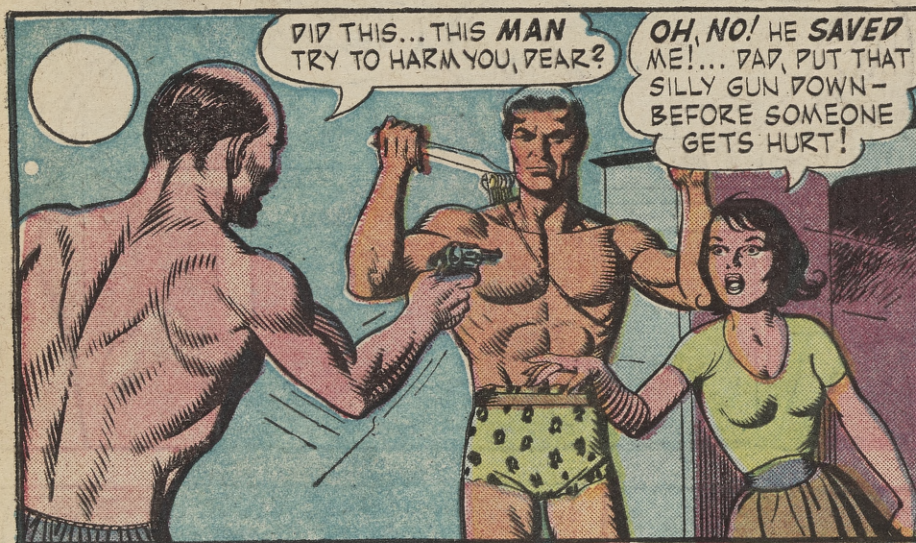

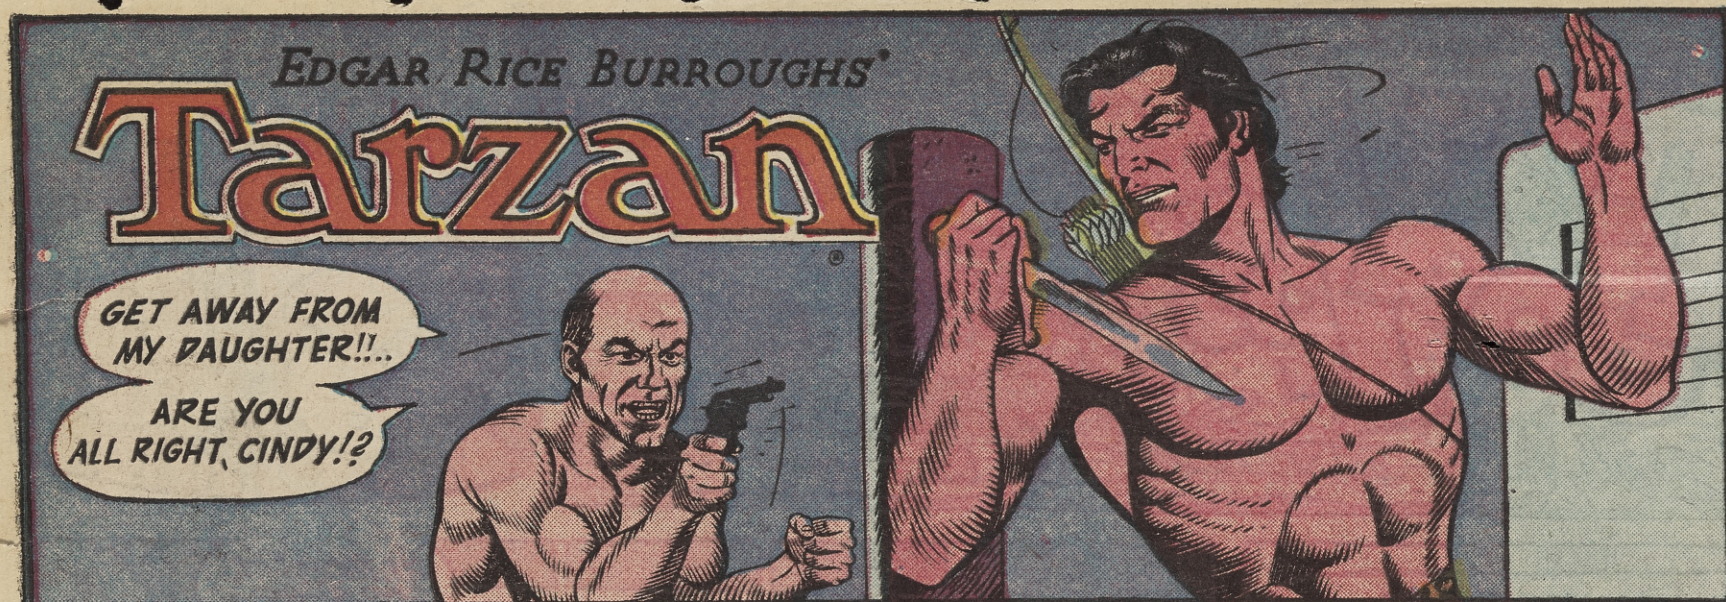

WHAT HAPPENED TO THE SUN? MINUTES AGO IT WAS LOLLIN' ME T' SLEEP, NOW THE BLARSTED CLOUDS HAVE T' BUTT IN!

I SUPPOSE I'LL HAVE T' MOVE THIS HAMMOCK T' A SUNNIER-- (GASP!)

I THOUGHT I WAS ALONE ON THIS SAND DUNE. BUT (CHUCKLE) THIS KIND O' CROWDIN' I DON'T MIND! HI, NEIGHBORS, GROGGINS IS THE NAME!

BEING ALONE IS BETTER, BATHLESS, BELIEVE YOU ME! MORE NEXT WEEK!

YOU KNOW WHAT YOU ARE, PENNY? YOU'RE BOY CRAZY!

IS THAT BAD?

SURE IT IS—WHEN YOU FALL FOR A DUMBER LIKE ROCKY!

I THOUGHT ROCKY WAS YOUR FRIEND.

HE IS—BUT HE WON'T BE FOR LONG, IF YOU KEEP ACTING SO SILLY.

HI, MOM! I GOT SOMETHING TO TELL YOU!

THAT'S FINE, PENNY—I'M ALL EARS!

SIGH!

YOU KNOW WHAT HAPPENED TODAY? ROCKY PYLE GAVE ME A NEW YEAR'S KISS!

REALLY? HOW DID THAT HAPPEN?

WELL—IT WASN'T EASY—

I'LL SAY IT WASN'T! IT TOOK THREE OF HER GIRL FRIENDS TO HELP HER CATCH HIM!
